The screenshot shows the GitHub Desktop application interface. The top menu bar includes File, Edit, Selections, View, Go, Run, Terminal, and Help. The left sidebar has sections for Explorer, Open Editors, and Recent. The main area displays a commit history for a repository named '027/Desktop'. The first commit, dated 2023-07-10, is for 'index.php' and includes a detailed commit message in Thai. The commit message discusses adding a navigation bar with links to Home, About, Contact, and Admin, and includes a note about including 'login\_form.php'. The commit hash is 8c10996. The bottom status bar shows the commit details: '8c10996 · 1 file changed · 1 commit · 1 second ago'.

The screenshot shows the Visual Studio Code (VSCode) interface. The top menu bar includes File, Edit, View, Repository, Search, Help, and a GitHub icon. The left sidebar has sections for Explorer, Open Editors, and Timeline. The main area displays a diff view for a file named 'index.php'. The changes are highlighted in red and green, corresponding to the commit message shown in the GitHub Desktop screenshot above. The diff shows additions for a navigation bar and the inclusion of 'login\_form.php'. The bottom status bar shows the commit details: '8c10996 · 1 file changed · 1 commit · 1 second ago'.

A screenshot of the GitHub Desktop application interface. The main window shows a pull request titled "Merge pull request #1 from dmitrykudinov/fixes". The "Changes" tab is selected, displaying a diff view of the "index.html" file. The diff shows several changes, including the addition of a "script" tag for "modernizr.js" and the removal of a "script" tag for "modernizr.min.js". The commit message is visible at the top of the diff. On the left sidebar, there are buttons for "Add files via upload", "Initial commit", and "Commit to make". A large green "Merge" button is prominently displayed at the bottom right of the main window.

A screenshot of the GitHub Desktop application interface, similar to the first one but with a yellow warning button instead of a green merge button. The main window shows a pull request titled "Merge pull request #1 from dmitrykudinov/fixes". The "Changes" tab is selected, displaying a diff view of the "index.html" file. A yellow warning bar at the top of the diff area states "The diff contains a change in line endings from LF to CRLF". The commit message is visible at the top of the diff. On the left sidebar, there are buttons for "Add files via upload", "Initial commit", and "Commit to make". A yellow "Warning" button is located at the bottom right of the main window.
